#### Re-sits

Innovate Awarding [IAO] offers one free re-sit per multiple-choice test, where included within a standard. Component assessment re-sits will be charged per assessment available overleaf.

#### External quality assurance

IAO is subject to external quality assurance for each standard. There is no additional charge payable for this requirement.

#### Payment

IAO will invoice for payment in full for each learner following the gateway process. Payment terms 30 days.

*Should a candidate withdraw from any part of the assessment once the planning meeting and a component part of the End-point Assessment has taken place, then our reasonable costs (i.e. those we have already incurred in arranging the assessment of the remaining components) will be incurred. \* Price changes will be implemented for gateways completed from 04/03/2020.*
